Continue Your AOP!

After IAOP last year, students told us they wanted their orientation to continue during the school year. For this reason, we created the Extended AOP for you.

- Go to noncredit.msu.edu to register for upcoming events! If you have trouble registering, call the Distance Learning Service Help Desk at (517) 355-2345. Attending the events listed on this website will help you feel more comfortable and connected at MSU.

- You are required to attend at least 3* events as a part of Extended AOP, and obtain the signatures of one of your professors/teacher assistants and an academic advisor. If you do not attend 3* events during the fall semester and obtain both of your signatures, a Hold will be placed on your student record. No Extended Orientation = No Enrollment = No Classes = No Legal Immigration.

  *Students who did not complete their Spartan Preview by the stated deadline must attend 4 Extended AOP events

- When you attend an event, you must check in with an AOP staff member. You must also fill out your Spartan Souvenir by writing the name of the event and a short description of what you did at the event. Make sure to get a stamp or signature from the AOP staff member who is checking students into the event.

- It is important for students to meet people who can help them as they adapt to college. Introduce yourself to professors/course instructors and your academic advisor.

TIPS FOR FRESHMAN

- Visit your professor and teacher assistants
- Go to class. Sit in the front. Pay attention in class.
- Use the resources available to you
- Check your MSU email EVERYDAY
## Extended AOP To Dos
