

# Continue Your AOP!

After IAOP students told us they wanted their orientation to continue during the school year. For this reason, we created the Extended AOP for you.

- Go to ***noncredit.msu.edu*** to register for upcoming events! If you have trouble registering, call the Distance Learning Service Help Desk at (517) 355-2345. Attending the events listed on this website will help you feel more comfortable and connected at MSU.
- **You are required to attend at least 3\* events including the required NSSC Seminar. You also need to obtain the signature of one of your professors/ teacher assistants.** If you do not complete these 2 requirements a Hold will be placed on your student record.

**No Extended Orientation = No Enrollment = No Classes = No Legal Immigration**

- When you attend an event, you must check out with an AOP staff member. You must also complete your Spartan Souvenir by writing the name of the event and a short description of what you did at the event. Make sure to get a stamp or signature from the AOP staff member who is checking students out of the event.
- Make connections; achieve student success. It is important for students to meet people who can help them as they adapt to college. Introduce yourself to professors/course instructors and your academic advisor.
